

Wendy Storer

AvSec Instructor

Q. What initially attracted you to Redline?

A. The opportunity to develop myself further. Having come from a Cargo-only role, I wanted to expand my knowledge base and expertise. I've gained so many qualifications since joining Redline.

Q. What keeps you at Redline?

A. The daily challenge! No two days are the same and I enjoy the challenges that come with each day.

Q. What is your favourite AvSec subject to deliver?

A. Aircrew and Dangerous Goods. I much prefer delivering the content in these courses. It's interesting and engaging.

Q. Favourite place in the world?

Travelled to: Israel. Such a beautiful country. It was absolutely breathtaking.

Not travelled to: Peru, namely Machu Picchu. I had originally saved to travel here before joining Redline, but circumstances changed. It's still on my bucket list though!

Q. What are your personal aspirations?

A. I want to tick off some of the items on my bucket list. One of which is a wing walk, and another is hanging out of a Chinook helicopter at one of the air displays waving florescent hands!! Although, I'm not sure if civilians can do this, but I'll certainly find out.

Q. What are your professional aspirations?

A. I want to continue to work overseas and gather more experience. Now I'm moving into the deployment team, I'm confident I'll be able to fulfil this aspiration.

Q. If you were an animal, what would you be?

A. A meerkat - because I'm nose-y and I like to see what's going on.

Q. What 3 words would your family use to describe you?

1. Loving
2. Honest
3. Loyal

Q. What is your favourite song to sing on the Karaoke?

A. It has to be Paradise by the Dashboard Light, by Meatloaf.

Q. Finally, for those at the Doncaster office, who often wonder...why do you crunch cubes of ice?

A. Because, I just like it. I get through 2 kilos a day...
